According to Psychology Today, September '95:

- ❖ Bullies are more likely to have a criminal record by age 24.
- ❖ 60% of bullies have criminal records and are more likely to engage in violent behavior after leaving school.
- ❖ Students who are bullies at age 14 tend to also bully as adults and are much more likely to have children who engage in bullying.
- ❖ Bullies tend to have difficulty earning a wage.
- ❖ Bullies have a disadvantage all their lives because they
- ❖ are unable to relate to others in an acceptable and positive way.

As the parent/guardian of, (student's name) _____,

I realize the potential of this child. I also understand that bullying is never acceptable. I promise to discourage bullying at home, school, and in our community. I will lead by example by not bullying others and I will encourage this child to be kind, strong, and respectful of those around us. I promise to be part of the solution and I will encourage my child to do the same so they will have a bright future.
